**Subject: Clarification of objection regarding the Renewal of Labour License
Application NO. 102476891 of M/s Core Enterprise.**

Dear Sir,

With reference of the above mention application number, it is clarified that agreement service with **M/s Core Enterprise** has been entered and executed for the period of Five years i.e. from 01.4.2022 to 31.3.2027.

However earlier letter was issued for the purpose of renewal of labour license and the purpose of communication was to confirm that the agreement for various services by M/s Core Enterprises **are also effective for upcoming year for which renewal is applied by the vendor** i.e. from 01.4.2022 to 31.3.2023.

The above said letter was issued to confirm the validity of agreement for said period only and not otherwise which can be ascertain from the language of the extension letter which clearly says that "all the service agreement are in force for upcoming year also i.e. 1.4.2022 to 31.3.2023.

Thanking you

Yours truly
